

Saint Joseph's Primary

Saint Joseph's Primary is a small, Catholic, inclusive school in the heart of Linlithgow. A school where we believe in 'Getting It Right For Every Child.' We are a school with a positive ethos. We know each child by name and believe in developing each child to their full potential. Our pupils are motivated to learn and we believe that learning is fun. We are developing our young workforce with a focus on Sustainability, Literacy, Maths, Outdoor Learning and STEM subjects.
