KYRIE ELEISON

This Greek invocation, meaning Lord have mercy, will be familiar to many of us as it occurs in the penitential rite at the beginning of Mass. In the early centuries of the Church, the language of liturgy was Greek and then it was translated into Syriac, Latin, Slavonic and Coptic. However, the *Kyrie* is not a remnant of the ancient Greek liturgy but was actually inserted into the Latin and Syriac liturgies after they were established maybe because the words expressed the basic prayer of the earliest Christians and represent the cry of the poor.
